

# Fažana

· *Holiday in harmony with nature* · Eng

**Fažana** invites you all year round, with the sun and sea in summer, as the perfect place for adventure and reawakening of energy in spring, and in autumn with its mild Mediterranean climate that is ideal for authentic experience, discovering cultural heritage and enjoying the wonderful tastes of nature's bounty.

The liveliest part of Fažana as a fishing town is its port and waterfront where tales of fishermen's skills and fishermen's luck are told beside the fishing boats and nets. A stroll to the red lighthouse or Fažana's fish market, enjoying the view of the Brijuni Islands from the wonderful promenade, relaxing on the terrace of one of the many restaurants or benches talking to the waves... all this is a collection of images that you will cherish forever.

## Fažana itineraries – Paradise for cyclists

Fažana is an ideal place for exploring the surroundings by bike. There are some twenty marked bike trails throughout Istria, of which about 350 kilometers are circular trails and unveils new vistas of the sea, specific features of flora, fauna and rich cultural heritage! The trails are marked, interconnected and invite you to discover the stunning beauty of South Istria by bike... the fascinating tastes and smells of seafood delicacies, Istrian prosciutto, cheese, olive oil and wine. But, if you don't want to trouble yourself with bike maps, you can enjoy this experience with a bike guide.

---

Price includes: entrance fee to Brijuni National Park, return trip to Brijuni by boat, bike rental for bicycle race, organized bicycle race with Easter egg hunt. After the race, bikes are returned to the sport area, and visitors can stay on Brijuni and have the complete offer of Brijuni National Park at their disposal [ not included in the price ].

# Good vibrations walking trail

Forget about the stressful everyday life, explore, walk, read, listen to music, relax and take it easy...

In addition to the unforgettable kilometers of relaxing walks on the seaside promenade stretching along the entire coast of Fažana and umbrella pines looking onto the Brijuni Islands, this year we also take you along the trails passing among olive groves, drystone walls and special places offering tranquility and stunning nature. And there, on the unique and original benches, give yourself some free daydreaming time while watching the most beautiful sunset and listening to harmony singing at the red lighthouse, sounds of the piano and violin in the olive groves by the church of St. Eliseus, as well as bird songs in Valbandon, where freshwater meets the sea.

If you want to be part of the magical atmosphere, visit the walking and trim trails in Šijana Forest, as well as the meadows of endemic orchids on Cape Kamenjak.

# Active in harmony with nature

## Brijuni National Park programs

Information and reservations at the Brijuni Tourist Service Office

Telephone: 00385 52 525 882

E-mail: [izleti@brijuni.hr](mailto:izleti@brijuni.hr)

## Professionally guided sightseeing tour of Brijuni National Park

The professionally guided sightseeing tour of Veli Brijun includes a ride by tourist train that among other sights includes the golf course, safari park, parks of residential villas, Verige Bay with the remains of the Roman villa rustica from the 1st century AD. The tour also includes visits to the natural history collection and photo exhibition "Tito on Brijuni", visit to the Church of St. Germain with an exhibition of copies of frescoes and Glagolitic monuments from Istria, walk through the remains of Roman quarry, and walk to the swamp and 1600 year-old olive tree.

### Scuba diving programs

Information and booking: www.bivillage.com

E-mail: info@bivillage.com, info@hippocampus.hr

**Discover scuba diving** – weekend for non-divers and recreationists is the beginner's program for those who have no diving experience, but want to try. A certification is not received after completing this program.

If you want to dive without taking a course, then this is the perfect choice for you! The diving instructor will take you on a nice and easy dive in a small group to a maximum depth of 6 meters and show you the wonderful, fascinating underwater world! Learn what wearing scuba diving feels like and how easy it is to move around underwater wearing it. Find out what it's like to breathe underwater and learn some basic skills and safety rules that you will carry over to your full scuba certification course when you are ready to take the next step.

#### Discover scuba diving – weekends for non-divers and recreationists

Minimum age: 10 years

Duration: 2 hours

Price:	min. 4 persons	40.00 €
	8 or more persons	additional 10% discount

**Open water diver** is the first level in diving hierarchy that allows you to get a qualification for independent diving.

If you want to learn scuba diving, take a PADI Open Water Diver course, the most widely recognized and respected diving certification in the world, and you have the freedom to dive with a buddy, independent of a professional. Within a few days, you can be enjoying the underwater world. This exciting “step by step” is a qualification for life to a depth of 18 meters! With this certification you can dive anywhere in the world and discover new diving destinations.

Minimum age: 10 years

Duration: 4 – 5 days [ 4 hours every day – 2 hours in the morning, 2 in the afternoon ]

Price:	minimum 2 persons	300.00 €
	[ price includes full diving equipment, didactic material, book, DVD and certificate ]	

#### Diving at Brijuni National Park locations and wreck diving sites

For divers who already have a diving certification we offer excursions by boat to one of the many diving locations, the most interesting of which is diving in the Brijuni National Park waters and some of the most famous wreck diving sites in Istria including the shipwrecks of Baron Gautsch, Submarine, Varese, etc.

Price:	Diving with diving equipment rental [ min 4 persons ]	45.00 €
	Diving with your own equipment [ min 4 persons ]	28.00 €

# Encountering tradition

## Creative workshops

### Kažun workshop

Wake up your imagination, be creative and discover the beauty of nature through a different perspective, as well as the tradition and heritage of Istria. These workshops are intended for all those who want to learn the secrets of stone dressing and making the typical souvenir – Istrian *kažun* [ drystone field hut ]. Workshops are held in the artist's shop; at the end participants can keep their own work.

*Info and registration:* ART SUVENIR, Perojska cesta 38, Fažana  
*Workshop led by:* Marko and Marino Belas  
*Mobile phone:* 098 921 06 28

Learn about the secrets of stone dressing and making the typical souvenir - Istrian *kažun* [ drystone field hut ]. Workshops are held in the artist's shop; at the end participant can keep their own work.
